ACADEMIC PROFILE / STATEMENT OF INTENT

A graduate student in **Computer Science** with a strong academic foundation in computer science and hands-on experience in front-end web development and IT systems support. Possesses solid knowledge of programming fundamentals, information systems, and computing technologies, with a growing interest in **software development, information systems, and applied computing research**.

EDUCATION

Bachelor of Science (BSc) – Computer Science |2021 - 2025|
Lead City University (LCU), Oyo State, Nigeria.

Relevant Coursework:

- Programming Fundamentals
- Web Technologies
- Database Management Systems
- Data Structures & Algorithms
- Computer Networks
- Operating Systems
- Software Engineering
- Information Systems

Higher National Diploma (HND) – Computer Science |2015 - 2017|
The Federal Polytechnic, Ilaro, Ogun State, Nigeria.

Key Areas of Study:

- Programming Concepts
- System Analysis & Design
- Computer Hardware & Maintenance
- Database Systems
- Networking Fundamentals

National Diploma (ND) – Computer Science |2011 - 2013|
Ogun State Institute of Technology (Formerly Gateway ICT Polytechnic) - Igbesa, Ogun State, Nigeria.

TECHNICAL SKILLS

Programming & Web Technologies

- JavaScript
- HTML5, CSS3
- Responsive Web Design

Computing & IT Skills

- Front-end Web Development

- Basic Software Engineering Practices
- IT Systems Support & Maintenance
- Data Backup & Security Procedures
- Hardware & Software Troubleshooting

Tools & Concepts

- Version Control (basic Git concepts)
- Web Performance & Usability Principles
- Office & Productivity Software

ACADEMIC & PROFESSIONAL EXPERIENCE

ICT Officer **|April 2019 - October 2020|**
Enlighten Africa Int'l Company Ltd., Ikeja, Lagos State, Nigeria.

- Managed and maintained organizational IT infrastructure and computing systems
- Provided technical support for staff and resolved system-related issues
- Implemented data backup and basic security procedures
- Installed, upgraded, and maintained hardware and software systems
- Supported users through IT training and documentation
- Coordinated with vendors for procurement and maintenance of IT equipment

This role strengthened practical understanding of information systems, system administration, and applied computing.

Machine Operator **|2014 - 2015|**
Beloxxi Industries Limited, Agbara, Ogun State, Nigeria.

- Operated and monitored production machinery in a structured industrial environment
- Followed quality control procedures and safety standards
- Assisted with routine machine maintenance and reporting

Developed problem-solving skills, attention to detail, and operational discipline relevant to technical environments.

TRAINING AND CERTIFICATIONS

Frontend Web Development – **|2025|**
Codar Tech Africa Ikeja Lagos.

Certificate of National Youth Service Corps (NYSC) – **|2018|**
Abia State

Advanced Diploma in Desktop Publishing – **|2009 - 2010|**
Extreme Computer Institute

RESEARCH INTERESTS

- Software Development and Web Technologies
- Information Systems and Digital Transformation
- Applied Computing and Human–Computer Interaction
- Data Management and Emerging Computing Technologies

ACADEMIC STRENGTHS

- Strong analytical and problem-solving skills
- Ability to learn and apply new technologies
- Research-oriented mindset with interest in postgraduate study
- Effective communication and teamwork skills

INTERESTS

- Academic research and self-directed learning
- Technology exploration and innovation
- Internet research and emerging tech trends

REFEREES

Available on request.
